

# Every Day at Myrtle's We Commit a Few No-No's!!!

At Myrtle's, we're big on customer service – not on rules and restrictions.

Yes, we're one of the nation's largest breeders of SPF New Zealand White and SPF Dutch Belted rabbits but we don't treat you like a number. We don't drag you through annoying phone trees. And we're not big on saying, "No, we can't do that."

Instead, we deliver what you want when you want it...at a competitive price. All our customers, large and small, receive personal, personable service...at no extra charge. Our breeding standards are every bit as strict as your research protocols. **And we guarantee satisfaction with every sale.**
